This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. 	18202	Grenada to Houston	Miss...	J. J. Campbell	1,300.00	4.16	Remit $17.47 deduction noted in report Apr. 21, 1888, it having been shown that the failures in Jan. were caused by high water, sleet, and ice, and every effort was made by the carriers to perform the service on the dates failures took place.		
	31867	Doan's to Mangum	Tex ...	J. W. Orr	437.00	2.09	Remit $3.99 deduction noted in report Jan. 28, 1888, it having been shown that (1) subcontractor by attorney asks remission; (2) register of arrivals and departures of postmaster at Doan's says Oct. 10 Red River was up; and register of arrivals and departures postmaster, Mangum, says Oct. 10 (failure) caused by high water in Prairie Dog and Red Rivers, and a certificate of failure and cause, signed by T. D. T. Murray, sets forth that Oct. 10 he left Doan's, went to Red River, two miles from Doan's, and could not proceed further on account of high water, said stream not being bridged, and this certificate confirmed by postmaster at Doan's, so that excuse is sufficient.		
	31879	Carthage to Deadwood	Tex ...	....do	373.00	1.79	Remit $10.74 deduction noted in report Apr. 27, 1888, it having been shown that registers of postmaster at Carthage says Jan. 13 failed on account of high water; 14 departed at 7 a. m., traveled six miles and returned; Jan. 16, failed to depart on account of high water, went next day; March 5, failed to depart on account of extreme high water; and the register of postmaster, Deadwood: Jan. 13, high water and bad weather; Jan. 16, came next day; Mar. 5, high water was the cause, I suppose, so that the excuse for these failures is good.

R	4,052.18	6.47	Remit $12.94 deduction noted in report Apr. 9, 1888, it having been shown that the failures of Jan. 11 and Mar. 13, 14, 1888, were due to a mail car being burned in a wreck and to a switch being misplaced by some malicious person and that all delayed mails were carried as soon as it was possible to do so.		
	14013	Chester to Lancaster.....	S. C....	....do	1,259.84	2.01	Remit $2.01 deduction noted in report Apr. 9, 1888, it having been shown that the failures of Jan 11 and Mar. 14, 1888, were due to a wreck and the turning of a switch by some unknown person, which caused the train to run off the track.		
	15001	Atlanta to Air Line.....	Ga.....	....do	58,896.91	80.46	Remit $140.80 deduction noted in report July 10, 1888, it having been shown that the failures of the following trains to connect at Atlanta, viz: No. 52, Apr. 5, 22, 26, May 9, June 18, 21, No. 50, June 16, 1888, were due to waiting on delayed trains of the A. & F. R. R. Co. at Alexandria, Va., breaking machinery, hot boxes, and washouts.		
	15001	Atlanta to Air Line Junction.	Ga.....	....do	87,379.18	119.37	Remit $537.12 deduction noted in report Oct. 9, 1888, it having been shown that the failures of trains 50 and 52 to connect at Atlanta during the months of July, Aug., and Sept., and the failure to arrive at Atlanta Sept. 18, 1888, were due to an accident at Fat Nancy Falls, breaking of machinery, washouts, and a collision.		
	15018	Waycross to Albany.....	Ga.....	S. F. & W. R. R	14,365.09	19.62	Remit $9.81 deduction noted on report July 16, 1888, it having been shown that the failure to depart from Albany, June 27, 1888, was due to a freight car jumping the track, which resulted in the destruction of a trestle-work rendering it impossible for trains to cross the river until the damage was repaired, and that it was not due to negligence on the part of the company.		
	15062	Suwanee to Lawrenceville....	Ga.....	R. & D. R. R	445.88	.71	Remit $1.06 deduction noted in report Apr. 7, 1888, it having been shown the failures of Mar. 6 and 7, 1888, were due to engine breaking piston-rods, and that all delayed mails were carried as soon as it was possible to do so.		
	22028	Lacrosse to Attica.....	Ind	C. & Ind. Coal Co ...	4,376.94	.....	Remit $1.10 deduction noted in report Oct. 22, 1889, it having been shown that the failure of service which occured July 9, 1888, was caused by washouts rendering the running of trains impossible.		

							that the failures of service occurring July 8, 10, 1888, were caused by washouts rendering the running of trains impossible, it is therefore ordered that 50 per cent. of the deduction be remitted.		
	26020	Worthington to Sale	Minn..	C., St. P. M. & O	4,980.51	7.97	Remit $298.87 deduction noted in report Apr. 20, 1887, it having been shown that all the failures to perform service during Jan., Feb., and Mar., 1887, were due to severe snow storms and blizzards, rendering the running of trains impossible, and that the delayed mails were carried as soon as trains could be run.		
	26029	Lake Crystal	Minn..	....do	1,965.13	3.13	Remit $59.47 deduction noted in report Apr. 20, 1887, it having been shown that all the failures of service during Jan., Feb., and Mar., 1887, were due to severe snow storms rendering the running of trains impossible, although every effort was made to do so, and that the delayed mails were carried as soon as trains could be run.		
	26029	Lake Crystal to Elmore	Minn..	C. St. P. M. & O	2,868.86	4.58	Remit $70.99, deduction noted in report May 1, 1888. It having been show that all the failures to perform service during Jan., Feb., and Mar., 1888, were due to severe snow storms blockading the road, rendering it impossible to run trains and that all the delayed mails were carried as soon as trains could run.		
	26030	Luverne to Doon	Minn..	....do	1,209.40	1.93	Remit $23.16, deduction noted in report Apr. 20, and May 23, 1887, it having been shown that all the failures during Jan., Feb., and Mar., 1887, to perform service were due to severe snow storms, blocking the road, and that the delayed mails were carried on succeeding days.

R.....	367,120.71	528.85	Remit $3,069.86 of deduction noted in report Apr. 6, 1888, it having been shown that all the failures to connect at Pittsburgh during Jan., Feb., and Mar., 1888, except No. 3, Jan. 13, Mar. 23, No. 7, Jan. 14, 20, 24, 25, Feb. 2, 8, Mar. 6, No. 9, Mar. 6, 1888, were due to strong head winds, wrecks, hot-boxes, broken axles and wheels, extreme cold weather, snows, stormy weather, etc.		
	17005	Memphis to Chattanooga.....	Ala....	M. & C. R. R	36,636.36	50.04	Remit $162.63, deduction noted in report Apr. 6, 1888, it having been shown that the failures of train No. 1 to connect at Memphis during Jan., Feb., and Mar., 1888, were due to high water and washouts, freight-train accidents, broken machinery, delays on N. C. and St. L. Rwy., and waiting at Bristol, Tenn., on delayed trains of the N. and Western R. R. Co.		
	17005	Memphis to Chattanooga.....	Ala....	M. & C. R. R	36,635.36	50.04	Remit $200.16 of deduction noted in report July 9, 1888, it having been shown that the failures of trains No. 1 and 3 to connect at Memphis during Apr., May, and June, 1888, were due to delays on the N. C. and St. L. Rwy., broken machinery, trains colliding, and waiting at Bristol, Tenn., on delayed trains of the N. and W. R. R.		
	17013	Mobile to New Orleans.....	Ala....	L. & N. R. R	31,014.88	42.37	Remit $42.37, and $39.65, R. P. O., of the deduction noted in report Oct. 8, 1888, it having been shown that the failures of Aug. 19, 20, 21, 1888, were due to a severe storm and gale, which lasted for several days, and backed up the waters of the Gulf of Mexico over the track, badly washing out the track and inundating it so that trains could not run over it. It is also shown by the statement of Charles Fitzgerald, chief clerk, etc., that a B. P. O. car, in charge of Clerk P. W. Lindsey, ran from Montgomery, Ala., to New Orleans, La., Aug. 21, 22, 1888. All delayed mails were carried as soon as it was possible to do so.		
	22010	Cincinnati to East St. Louis..	Ind....	Ohio & Miss	106,702.10	145.77	Remit $72.88 of the deduction noted in report July 9, 1888. It having been shown that the failures at East St. Louis, Ill., of train No. 1, May 23, June 6, to connect were caused by an accident to a freight train at Clark's (broken axle), and to the track being blocked with wreck of freight train at Lawrenceville, and that there was no failure at East St. Louis of train No. 3 June 28, 1888.		

	22019	Louisville to North Vernon...	Ind ...	Ohio & Miss	9,038.03	12.35	Remit $4 94 of deduction noted in report Oct. 12, 1888, it having been shown that the failures at Louisville, Ky., of train No. 105. Sept. 5, 25, 1888, to connect were due to waiting at North Vernon, Ind., on main line trains, which had been delayed by hot boxes and by getting off the track.		
	22019	Louisville to North Vernon...	Ind ...	....do	8,021.08	10.96	Remit $3 13 of deduction noted in report July 9, 1888, it having been shown that the failures at Louisville, Ky., of train No. 105 Sept. 15 and 19 1888, to connect were due to hot boxes and to engine breaking equalizer.		
	28022	E. St. Louis to Kansas City...	Mo	C. & A. R. R	42,814.98	54.49	Remit $73.10 of deduction noted in report July 14, 1888, it having been shown that the failure of No. 6 June 19 and of No. 48 Apr. 2, May 12, 15, June 19, 1888, to connect were caused by a heavy rain-storm, a broken axle, hot journal, and the collapsing of a flue.		
	42003	Cœur d'Alene to Wallace, Cœur d'Alene to Burke.	Idaho..	C. & A. R. R. & Nav. Co.	4,229.63	6.75	Remit $104.83 of deduction noted in report Oct. 27, 1888, it having been shown that all failures during Jan., 1888, were caused by snow-storms and the closing of navigation on Lake Cœur d'Alene. It is ordered that all failures except those at Cœur d'Alene to arrive Jan. 6, 9, and at Wallace to arrive Jan. 6, 1888, be excused under the rules.

Lawton	670.08	.84	Remit $40 of the fine noted in report May 7, 1889, it having been shown that some feeling exists between Postmaster Campto and subcontractor, making it difficult to arrive at an exact determination of the fact, that the subcontractor did not understand the direction to dismiss the carrrier to be peremptory, and no delinquencies having been reported in April.		
	31636	Sulphur Springs to Cooper....	Tex....	J. W. Orr	517.00	.82	Remit $9.59 of the deduction noted in report Apr. 27, 1889, it having been shown that on each of the six dates of failure at Sulphur Springs, 9 miles was performed, and on each of the eighteen dates of failure at Cooper, 3½ miles was performed, of the half trips each way from Fairey end, so that contractors are entitled to pay for 117 miles both ways, more than appears by present deduction.		
	31777	Brownsborough to Ben Wheeler.	Tex....	B. A. Germany	240.00	.76	It having been shown that on Mar. 1, 1889, the trip was made from Ben. Wheeler to a creek known as Kickapoo Creek, distant ¼ mile from Brownsborough, and that carrier was prevented by high water from completing the trip and returned to Ben Wheeler, so that 13¼ miles of the trip was made and failure over half mile; therefore remit $0.71 of deduction noted in report May 3, 1889.		
	31963	San Angelo to Fort McKavett.	Tex....	I. W. Ellis	1,797.00	2.87	Remit $5.33 of the deduction noted in report May 6, 1889, it having been shown that on Feb. 28, 1889, carrier arrived from Fort McKavett and returned, but that carrier from San Angelo came to 4 miles from Erskine, and was prevented by high water from coming farther. Now, by direct course, Erskine is 27 miles from San Angelo and 28 from Fort McKavett, so 51 miles of the trip was made and failures were over 4 miles.
